

Meet your Tutor

NINA CREYDT

Hi, I'm Nina. I'm a third-year student at the University of Pretoria and have a passion for helping learners build confidence and achieve their academic goals. I tutor Maths (Grades 1–9), English (Primary School), and Afrikaans (Grades 1–10). My approach to tutoring is patient, supportive, and tailored to each learner's individual needs and learning style. I believe that understanding the work is just as important as getting the right answer, and I aim to create a positive environment where students feel comfortable asking questions and growing in confidence. I do not just tutor to help learners do well academically, but also to have a positive impact in their lives. Outside of tutoring, I enjoy exercising, going to the gym, and running.
