

Meet your Tutor

SARAH GIBBON

Hi, my name is Sarah. I am a 20-year-old student studying a BConsumer Science in Food Retail and Hospitality at the University of Pretoria. I have a passion for working with children and teaching others. I have gained experience working with children of various ages through au pairing as well as working at an American summer camp overseas teaching horse riding. My favourite subjects in High School were Life Sciences, History and Mathematics. I believe that learning should be encouraging and fun, and my aim is to create a supportive environment where students feel comfortable asking questions and developing their skills. I enjoy spending time outdoors, horse riding and cooking is my passion.
