

Meet your Tutor

JOELLE MENESES

Hi, I'm Joelle. I'm currently a Bachelor of Education student specialising in Foundation Phase teaching at the University of Pretoria. Through my studies and practical experience, I've had the opportunity to work with learners in different school environments, as well as tutoring, babysitting and working in children's ministry. I believe tutoring should be a supportive and encouraging space where learners feel comfortable asking questions, making mistakes and learning at their own pace. I aim to make lessons engaging and personal to each individual learner in the way they learn best. Outside of tutoring and university, I enjoy spending time with friends and family. I have a passion for music, creativity and the outdoors.
