

Meet your Tutor

CAYLA CREYDT

Hi, I am Cayla. I have been tutoring since 2021, starting with private lessons and later joining Optum Tutoring in 2023. I specialise in Afrikaans and Mathematics, which are also the subjects I currently offer. I matriculated in 2021 and completed my degree in Marketing Management in 2025, and I am currently pursuing my honours in the same field. My tutoring approach is patient, supportive, and tailored to each child's learning style, helping them build confidence and improve their understanding. I create a positive space where learners feel comfortable asking questions. Outside of tutoring, I enjoy jogging, going on hikes, and capturing special moments through photography. I would love to support your child's learning journey.
