

Meet your Tutor

HLATSHWAYO SIMANGELE

Hi, I am Hlatshwayo Simangele. I am a qualified teacher with a Bachelor of Education in senior and FET. I have a strong passion for teaching and helping learners achieve their full potential. My teaching practice gave me an opportunity to work with different learners and this has strengthened my ability to be able to engage and support each and every learner. I believe that learners are different and learn in different ways so it is my duty as a tutor to come up with new teaching strategies that accommodate their learning styles. I believe that every learner can succeed with the right support, encouragement and inclusive learning. My teaching approach is patient, interactive and focuses on creating a safe space for my learners to feel heard. I understand that during teaching and learning it may be hard to provide individual assistance to each and every learner due to time. So my aim is to provide that individual support, build understanding, provide mentoring and achieve set academic goals. I would describe myself as patient and approachable. I also love to read because I am always looking for new ways to improve and gain new knowledge.
